

The Bark For Life of Cincinnati is a fundraising event honoring the life-long contributions of our Canine Caregivers. Our event is scheduled to take place on Saturday, April 1<sup>st</sup> from 11:00am – 2:00pm at Washington Park in Over-the-Rhine. It presents an opportunity for people to be empowered through their canine companion partnerships and to contribute to cancer cures through the mission of the American Cancer Society.

Canine companions demonstrate unconditional love, joy, security, compassion, and no judgments of cancer survivors abilities or appearances. The Bark For Life of Cincinnati is an irresistible way to partner with your canine best friend, smile, and make new friends – canine & human.

Over 200 individuals and their dogs from the Greater Cincinnati and Northern Kentucky area come together and complete a non-competitive walk to honor the care-giving qualities of their canine “Best Friends” and cancer survivors. The Bark For Life of Cincinnati is proud to partner with other local pet welfare groups to promote the great work they do in our community.

Family and professional dogs bring the warm hearted feelings of wagging tails to the Bark For Life of Cincinnati to make Bark a happy and meaningful community event. Other activities featured that day include:

- Doggie games & contests
- Photobooth
- Team and community fundraising
- Music and guest speakers
- Special dog demonstrations

We hope that you will consider supporting our event by joining our planning committee, forming a team, committing to be a sponsor, or attending as a vendor.
